# Art – Long Term Plan

Year	Unit 1	Unit 2	Unit 3
EYFS	<p><b><u>Drawing: Marvellous marks</u></b> Exploring mark making through different drawing materials. Beginning to draw from observation using faces and self-portraits as a stimulus.</p>	<p><b><u>Painting and mixed media: Paint my world</u></b> Exploring paint and painting techniques through nature, music and collaborative work. Developing creativity through child-led exploration of mixed-media, making collages and transient art.</p>	<p><b><u>Sculpture and 3D: Creation station</u></b> Exploring the sculptural qualities of malleable materials and natural objects; developing the use of tools and joining techniques; designing and making clay animal sculptures.</p>
1	<p><b><u>Drawing: Exploring line and shape</u></b> Exploring line and shape; working and experimenting with different materials through observational and collaborative pieces inspired by artists.</p>	<p><b><u>Sculpture and 3D: Paper play</u></b> Creating simple three-dimensional shapes and structures using familiar materials, children develop skills in manipulating paper and card. They fold, roll and scrunch materials to make their own sculptures. This unit contains three brand new lessons and two existing Kapow Primary lessons.</p>	<p><b><u>Painting and mixed media: Colour splash</u></b> Exploring colour mixing through paint play, using a range of tools to paint on different surfaces and creating paintings inspired by Clarice Cliff and Jasper Johns.</p>

## Art – Long Term Plan

2	<p><b><u>Drawing: Understanding tone and texture</u></b></p> <p>Exploring how artists use tone and texture and applying these techniques in observational drawings.</p>	<p><b><u>Painting and mixed media: Life in colour</u></b></p> <p>Developing colour mixing skills, learning about the work of artist Romare Bearden and creating textured papers using paint, children compose collages inspired by their exploration of colour and texture in the world around them.</p>	<p><b><u>Sculpture and 3D: Clay houses</u></b></p> <p>Exploring the way clay can be shaped and joined, children learn a range of essential skills for working with this medium. They learn about the sculpture of Rachel Whiteread and create their own clay house tile in response.</p>
3	<p><b><u>Drawing: Developing drawing skills</u></b></p> <p>Developing shading skills and drawing techniques to create botanical-inspired digital drawings.</p>	<p><b><u>Craft and design: Ancient Egyptian scrolls</u></b></p> <p>Developing design and craft skills taking inspiration from Ancient Egyptian art and pattern and paper making.</p>	<p><b><u>Sculpture and 3D: Abstract shape and space</u></b></p> <p>Exploring how shapes and negative spaces can be represented by three dimensional forms. Manipulating a range of materials, children learn ways to join and create free-standing structures inspired by the work of Anthony Caro.</p>
