## Our Vision for Breakfast and Afterschool Club:

To create a nurturing and inclusive space where every child feels safe, valued, and empowered to thrive. Through providing a wide range of activities and opportunities, we aim to develop our children's confidence, self-esteem, and independence by encouraging team work, developing social skills and responsibility. We are dedicated to encouraging kindness, resilience, and respect, both in how we treat others and how we face challenges together. In our Breakfast and Afterschool Club, we grow together—learning, socialising, caring, and building each other's confidence, so every child can reach their full potential and feel proud of who they are.
