

# Non-Fiction

Subject Specific Vocabulary			Sticky Knowledge
Non-fiction	This is real information or facts about a topic.		I can tell you if a book is non-fiction and how I know that.
Contents page	It is at the front of the book. It tells you what is in the book in the right order. It is a list of sections or chapters.		I know that a non-fiction book does not have to be read in order from the beginning and can use the contents page to find a part of the book I want to go to.
Index	It is at the back of the book. It is a list of important words from the book. They are in alphabetical order.		I can use the index to find where to look for a given word in the book.
Glossary	A list of words. It explains what important words from the book mean.		I can use the glossary to tell you what a given word in the book means.
Captions	A word or short sentence which explains what is happening in a photo or picture.		I can use sub heading and headings to find given information or facts.
Labels	Words which help you to find a picture or parts of a picture.		I can tell you about pictures or parts of pictures using the captions and labels.
Photograph	A real picture that show you what things look like		
Sub-heading	A mini title that tells you what a section of the book is about. It is usually in bigger, bolder writing.		
Headings	The main title of the whole text and tells you what it will be about.
